

BUCKS TO REBUILD

HERD IMPACT STATEMENT

Bucks to Rebuild was created to help with the costs associated with maintaining/caring for the herds of ADGA breeders while they are displaced and/or recovering from disasters.

Please answer the following questions. Your answers will help us determine the amount of assistance that can be provided. We provide assistance on a weekly basis, and weekly updates are required for assistance to continue. Therefore, please also use this form for your weekly updates.

Date: _____ ADGA # _____

Breeder's name: _____

Address: _____

Telephone: _____

Email: _____

Date of and reason for displacement: _____

Breed and number of goats: _____

Where are goats currently housed? _____

Is hay and/or grain supplied to you? _____

Do you need hay/grain? _____

What, if anything else, is needed? _____

Please email this completed Herd Impact Statement to Buckstorebuild@gmail.com. If internet service is not available, please provide answers to these questions via text message to Cindy Bright at 970-232-8767.
